

## The Falls' International Peace Wall

These are all part of the International Wall at the bottom of the Falls Road. This wall is one of the first entry points into West Belfast. The Falls' International Peace Wall is another big tourist draw where large works of art depict George W. Bush's Iraqi War, the Arab-Israeli Conflict, Spanish Civil War and other global campaigns, past and present. These are just a few samples of the wall.

Kiernan Nugent – first blanket man

Maghaberry Prisoners remembered

Frederick Douglass

Manchester Martyrs

Liam McCarthy – founder of GAA hurling
