ADOPT-A-BARRICADE

The Ancient Order of Hibernians offers your family or fraternal organization OR **business**¹ an opportunity to support the Hibernians' Annual St. Patrick's Day Parade in Dogtown in Saint Louis by providing your group with a designated location along the parade route to display your banner and proclaim your support.

We will assign a specific barricade along the parade route for your banner as close as possible to your preferred location. Your group will be provided a with a heavy-duty 3 color vinyl banner (2' x 5') with your group or **company** name prominently displayed. This banner will be affixed to your barricade long before the parade starts (make sure you have a rep on site).

Your group should remove and take your banner with you at the end of the parade²

Your adoption will be for one parade year only but you will have the opportunity to reserve the same area for your banner the next year. You may bring older AOH banners to display. Your support helps us offset the rising cost of putting on the parade. Note: we cannot reserve a place to stand as these are first come.

ST. PATRICK'S DAY PARADE 2025

ANCIENT ORDER OF HIBERNIANS

On the map below pick a general area where you would like your banner to be placed. If you would like to specify a specific address, we will do our best to accommodate you wishes (first come first served). On the application form indicate area numbers on 1st and 2nd choice lines or put a specific street address.

Once your application is received, we will confirm receipt of your application and will assign your area at that time. Keep in mind that we will designate a barricade as your adopted barricade but will be unable to keep others from joining your celebration (many line up very early for the parade). Please note that the areas in front of Pat's as well as the area in front of Seamus McDaniel's restaurant are too densely crowded to allow for barrier adoption.

Keep this part of the application – your check was sent to:
